

OCEA-Administered Health & Welfare Benefits Plan

These benefits are provided at no additional cost to employees in regular or limited-term positions in bargaining units represented by OCEA!

These benefits were negotiated by OCEA for all employees in regular or limited-term positions in OCEA-represented bargaining units, **regardless of whether or not you are an OCEA member.**

31-Day Time Limit

If you are a new employee, you must **complete and return the Health & Welfare benefits enrollment form "A" within 31 days of your hire date.** (If you do not do this, you will automatically be assigned to Option 3.) You may change your elections during "open enrollment" periods. Also, certain events (such as divorce, marriage, birth of a child, or change of employment status) may allow you to make changes, although conditions apply. For further information call OCEA at (714) 835-3355.

Which of the Three Options Should I Choose?

If you are a part-time employee, you will automatically be assigned Option 3. Court Reporters (class code 0786SG) will be deemed full-time employees, as long as the Employment Status is not reported as Extra Help.

If you are a full-time employee, you have a choice. The option that is right for you will depend on your individual circumstances. Court Reporters (class code 0786SG) will be deemed full-time employees, as long as the Employment Status is not reported as Extra Help. For general information about the choice you should make, see *Simplified Guidelines*, below.

Simplified Guidelines

- **If you have no dependents (or if you have dependents and do not wish to include them for benefit coverage), and if you are a full-time employee, you should choose Option 1.**
- **Most full-time employees with families will choose Option 2.** Your family will be covered with you on the DeltaCare CAM43 (DHMO) dental plan. Your dependents *do not* receive vision coverage.
- **Do not choose Option 3.** Since Option 3 is a "default" package (with benefits of less value overall), you should take the initiative to choose either Option 1 or Option 2.

Again, all part-time employees will be assigned to Option 3. Court Reporters (class code 0786SG) will be deemed full-time employees, as long as the Employment Status is not reported as Extra Help. All new full-time employees not returning their enrollment forms within the 31-day period will also be assigned to Option 3.

About Your Health & Welfare Dental Plans

About Delta Dental PPO Plan A

Delta Dental PPO Plan A allows members the flexibility to choose their own dentists, and to self refer for specialty care services. To receive the highest level of benefits with the lowest out-of-pocket expense, you should consider visiting a Delta PPO dentist. PPO dentists agree to provide treatment to PPO patients at discounted fees prenegotiated by Delta. In addition, the percentages paid by Delta will be significantly higher when you visit a Delta PPO dentist.

Dentists who are not part of Delta Dental have not agreed to discounted fees. These dentists will be paid the usual, customary, and reasonable fees for services. Since these fees can be higher than Delta's discounted fees, you will spend more money with a dentist who is not participating with Delta Dental. You may also be required to file your own claims with Delta.

Who is Eligible?

Employees only. Among other things, you must be an "active" employee (actually at work) on the date you enroll in the plan and on the date coverage would otherwise become effective. (If you are on a leave of absence, you are not an "active" employee.)

Among other things, you must be an "active" employee (actually at work) on the date you enroll in the plan and on the date coverage would otherwise become effective. (If you are on a leave of absence, you are not an "active" employee.)

Finding a Delta PPO Dentist

You can access Delta directly by going to www.deltadentalins.com. Be sure to click on the link that specifies Delta Preferred Providers Option. Additionally, you can call your dental office to ask if your dentist is a member of the Delta PPO or Delta Dental in network dentist. (Note: In California, Delta endodontists, periodontists, and oral surgeons are considered Delta PPO dentists even if they have not signed a PPO agreement.)

Predetermination of Benefits

If you are thinking about having extensive or expensive dental work you may consider obtaining a predetermination review before the service begins. Predeterminations are free and usually take about 3 weeks to process. You may obtain a predetermination/claim form from your dentist, or your dentist can submit on your behalf to:

Delta Dental
P.O. Box 997330, Sacramento, CA 95899-7330
(800) 765-6003 • www.deltadentalins.com

Customer Service

Delta Dental provides its members with customer service at (800) 765-6003. Customer service can provide assistance on benefit questions, eligibility, changing dentists, or explaining claim procedures. You may also e-mail Delta Dental at cms@delta.org.

About DeltaCare CAM43 (DHMO)

The DeltaCare DHMO offers you a comprehensive program of dental care with no annual benefit limit. Most preventive services like cleanings and examinations are covered in full. Other procedures will require copayments at the time the dentist performs the service.

This is a "managed" dental care program in which you must select a dentist from an extensive network to be your personal provider. This dentist will perform, arrange, or refer all of your dental care needs. You must receive services from your DeltaCare dentist for contract benefits to apply. There is no coverage for care not received from your DeltaCare dentist.

Who is Eligible?

Employees and eligible dependents. Among other things, you must be an "active" employee (actually at work) on the date you enroll in the plan and on the date coverage would otherwise become effective. (If you are on a leave of absence, you are not an "active" employee.)

Dependents are generally your legal spouse or registered domestic partner, and children.

Your children can be covered under your dental and vision plans until they reach age 26:

- Child must **not** be eligible for any other Employer dental and/or vision plan.
- Child does not need to be a full-time student.
- Child can be married or unmarried.
- Spouses and children of dependent children are **not** eligible for coverage.
- Any child of the employee regardless of dependency status under IRS rules.

About Your Health & Welfare Vision Plan (Employee Only)

About Vision Service Plan (VSP)

Vision Service Plan (VSP) has the nation's largest eye-care doctor network, with thousands of participating doctors. If you choose to receive services from a VSP provider, benefit coverage is more comprehensive, and your out-of-pocket expenses may be less.

If you choose to receive services from an out-of-network provider, VSP will reimburse you up to the amount allowed under the plan's out-of-network provider reimbursement rate. Services obtained through out-of-network providers are subject to the same copayments and limitations as services obtained through VSP doctors.

Be aware your out-of-network provider reimbursement rate does not guarantee full payment, and VSP cannot guarantee patient satisfaction when services are received from an out-of-network provider.

Who is eligible?

You must be a full-time employee and not enrolled in Option 3. Among other things, you must be an "active" employee (actually at work) on the date you enroll in the plan and on the date coverage would otherwise become effective. (If you are on a leave of absence, you are not an "active" employee.)

Finding a VSP Provider

It's easy to find a VSP provider. You may log on to the VSP website at www.vsp.com and use the doctor directory to look for a provider in the Choice Network. Or you can call the VSP Member Services phone number at (800) 877-7195.

Filing a Claim

If you choose to use an out-of-network provider, claims must be filed with VSP within six months from the date of service. Please keep a copy for your records, and send the originals to:

Birmingham, AL 35238-5018

About Your Health & Welfare Disability Plan

About Your Basic Disability Plan

OCEA provides a Basic Disability Plan at no additional cost to all employees in regular or limited-term positions in OCEA-represented bargaining units in the County of Orange, the Fire Authority, the Superior Court and the Law Library, regardless of whether or not you are an OCEA member. This plan is designed to help replace your income when you incur a disability. The Basic Disability Plan pays up to \$1,080 per month from the 21st calendar day through the 90th calendar day of your disability and up to \$900 per month from the 91st calendar day, for a maximum of 24 months. The Basic Disability Plan benefit amounts coordinate with all other sources of income received for the period of your disability (including, but not limited to, sick leave and annual leave).

Pre-Existing Condition

You may not be able to collect benefits beyond 90 days if your injury or illness is because of a pre-existing condition. A pre-existing condition is one in which a reasonably prudent person would have consulted a physician, received medical treatment, services or advice, undergone diagnostic procedures, including self-administered procedures, or taken medication in the 90-day period prior to your effective date. Please note that the pre-existing condition limitation only applies to disabilities which continue beyond 90 days.

For the **Basic Disability Plan**, disabilities which are not a result of a pre-existing condition are covered per the terms of the contract. Coverage for a pre-existing condition is not provided beyond 90 days if the disability begins during the first 12 months of your coverage. If the disability begins after you have been covered on the plan for more than 12 months, there is no pre-existing limitation.

Who is eligible?

Among other things, you must be an "active" employee (actually at work) on the date you enroll in the plan and on the date coverage would otherwise become effective. (If you are on a leave of absence, you are not an "active" employee.)

If you are on a leave of absence, the following rules apply depending on how long you have been on leave:

- **Leave of absence up to one year:** The basic disability coverage you had before your leave of absence will remain in force during the first year.
- **Leave of absence greater than one year:** After one year, your disability coverage will be canceled. When you return to active employment, if eligible, you are automatically enrolled in the basic plan. Benefits will become effective on the first of the month following 60 calendar days of continuous active employment.

Definition of Disability

You will be considered disabled if, as a result of an illness, non-work related injury, or pregnancy, you are unable to perform with reasonable continuity the material duties of your own occupation.

Waiting Period

No benefits are payable during the waiting period.

Benefit Period or Duration

Benefits may be payable up to 24 months. In some cases, the maximum length of time benefits may be payable will depend on your age when you become disabled.
