

VISION SERVICE PLAN

About Supplemental Vision

Supplemental vision is a plan that allows full-time employees to obtain the same vision benefits they enjoy for their dependents. Part-time employees may obtain the plan for themselves and their dependents, if applicable. The VSP Choice Network provides for an extensive nationwide network of doctors who provide care and materials. This plan is designed to assist vision maintenance by providing regular eye examinations and benefits for other vision care expenses including glasses or contact lenses. An OCEA member may enroll his or her dependents in supplemental vision within the first 31 days of OCEA membership, during open enrollment, or upon a family status change.

Eligibility

Almost all OCEA members are eligible for enrollment in this coverage. If you have any questions regarding eligibility, contact VSP at (800) 877-7195.

Among other things, you must be an "active" employee (actually at work) on the date you enroll in the plan and on the date coverage would otherwise become effective. (If you are on a leave of absence, you are not an "active" employee.)

Dependents are generally your legal spouse, registered domestic partner and children.

Your children can be covered under your dental and vision plans until they reach age 26:

- Child must **not** be eligible for any other Employer dental and/or vision plan.
- Child does not need to be a full-time student.
- Child can be married or unmarried.
- Spouses and children of dependent children are **not** eligible for coverage.
- Any child of the employee regardless of dependency status under IRS rules.

How the Plan Works

Step One:

When you are ready to obtain vision care services, call your VSP participating doctor. If you need to locate a VSP participating doctor, call Vision Service Plan at (800) 877-7195 or visit the VSP website at vsp.com.

Step Two:

When making an appointment, identify yourself as a VSP member. The participating doctor will also need your

identification number and group name. The participating doctor will contact VSP to verify your eligibility and obtain authorization for services and materials. If you are not eligible, the VSP doctor will notify you.

Step Three:

At your appointment, the participating doctor will provide an eye examination and determine if eyewear is necessary. If so, the participating doctor will coordinate the prescription with a VSP-approved contract laboratory. The participating doctor will itemize any non-covered charges and have you sign a form to document that you received services. VSP will pay the participating doctor directly for covered services and materials. You are responsible for paying the doctor a \$5 copayment for the eye examination and a \$20 copayment for lenses and/or frames. You are responsible for any additional costs resulting from cosmetic options, or non-covered services, and materials you have selected. Selecting a participating doctor from VSP's network assures direct payment to the doctor and guarantees quality services and materials.

Finding a VSP Provider

It's easy to find a VSP provider. You may log on to the VSP website at vsp.com and use the doctor directory to look for a provider in the Choice Network. Or you can call the VSP Member Services phone number at (800) 877-7195.

How to Enroll

Complete the Supplemental Dental & Vision Benefits Enrollment Form and return it to OCEA. An OCEA member may enroll in Vision Service Plan within the first 31 days of OCEA membership, during open enrollment, or upon a family status change.

When Coverage Begins

The effective date of coverage will be determined by OCEA, and you will be contacted concerning the exact day coverage begins.

Cost of Coverage

Your premiums for supplemental vision coverage are paid through regular twice-monthly payroll deductions. Please refer to the *Supplemental Benefit Costs* section of this guide for current rates.

Evidence of Coverage and Disclosures

The Evidence of Coverage and Disclosure Form is available online at ocea.org/vsp-eoc.

**ABOUT DELTA DENTAL PPO PLAN A+**

Delta Dental PPO Plan A+ is an upgrade to Health & Welfare PPO Plan A options. Plan A+ is the only PPO plan that may be purchased for the member and the member's family.

This plan allows members the flexibility to choose their own dentist, and to self-refer for specialty care services. To receive the highest level of benefits with the lowest out of pocket expense, you should consider visiting a Delta PPO dentist. PPO dentists agree to provide treatment to PPO patients at discounted fees prenegotiated by Delta. In addition, the percentages paid by Delta will be significantly higher when you visit a Delta PPO dentist.

Dentists who are not part of Delta Dental have not agreed to discounted fees. These dentists will be paid the usual, customary, and reasonable fees for services. Since these fees can be higher than Delta's discounted fees, you will spend more money with a dentist who is not participating with Delta Dental. You may also be required to file your own claims with Delta.

**How The Plan Works**

Simply make an appointment to see the dental provider of your choice. Then have your dental office submit a claim form for the services rendered. See *How to File a Claim* for details.

If you are considering having extensive or expensive dental work, you may obtain a predetermination review before the service begins. Predeterminations are free and usually take about three weeks to process. You may obtain a predetermination/claim form from your dentist, or your dentist can submit on your behalf to:

Delta Dental  
P.O. Box 997330, Sacramento, CA 95899-7330  
(888) 335-8227 • deltadentalins.com

**Claims and Customer Service**

Delta Dental customer service can provide assistance on benefit questions, eligibility, changing dentists, and explaining claim procedures. You may contact Delta Dental at:

Delta Dental  
P.O. Box 997330, Sacramento, CA 95899-7330

**ABOUT DELTACARE USA CAM49 DENTAL PLAN**

DeltaCare USA CAM49 is the upgrade to the Health & Welfare DeltaCare USA CAM50 DHMO option. If you are an OCEA member or an eligible retiree, you may purchase DeltaCare USA CAM49 for you and your family.

**How The Plan Works**

If you select this plan, you must choose a dentist from a list of participating dentists who agree to charge you based on a schedule of copayments for services performed. You may change dentists at any time by contacting DeltaCare USA directly at (800) 422-4234.

This plan is designed for coverage in California only. You are only covered for services received from your designated California DeltaCare USA provider.

**How to File a Claim**

There are no claim forms. The dentist handles any paperwork.

**Finding a DeltaCare USA Dentist**

The DeltaCare USA Dental Network is a large, carefully selected list of dentists who meet the DeltaCare USA credentialing requirements and have agreed to a contractual relationship with DeltaCare USA.

To choose or change dentists, visit the Delta Dental website at [deltadentalins.com](http://deltadentalins.com), or call the DeltaCare USA customer service line at (800) 422-4234. Changes are usually effective the first of the month following your request. DeltaCare USA will advise you of your new effective date.

**Customer Service**

DeltaCare USA provides its members with customer service at (800) 422-4234. Customer service can provide assistance on benefit questions, eligibility, changing dentists, or explaining claim procedures.

You may also visit the Delta Dental website at [deltadentalins.com](http://deltadentalins.com) to view provider lists, obtain benefit information and view your current assigned provider.
