I direct my employer to deduct from my pay regular amounts equal to AMEA/OCEA membership dues and to transfer that money to AMEA. I understand that I may rescind my membership at any time. However, I understand that strong representation requires all represented employees to contribute. If I rescind my membership I agree that the contributions authorized above shall continue and this authorization shall automatically renew annually, irrespective of my membership status, unless and until I submit a timely signed revocation of this authorization. To be timely, a revocation must be mailed to AMEA's office, postmarked between 75 days and 45 days before such annual renewal date. Contributions or gifts to AMEA are not tax deductible as charitable contributions.

The payroll deduction authorization includes a PAC contribution which will be used to support member-endorsed candidates and for expenditures in connection with local, legislative and statewide issues and elections. I may choose not to contribute or to vary my PAC contribution without reprisal from AMEA, OCEA or my employer. This authorization is voluntary and not a condition of my employment or AMEA/OCEA membership. My authorization to make a PAC contribution shall remain in effect until revoked in writing by me via U.S. Mail addressed to AMEA. I acknowledge that I have reviewed and voluntarily agree with the foregoing. AMEA PAC contributions are not deductible for federal income tax purposes.
