I direct my employer to deduct from my pay regular amounts equal to OCEA's membership dues and to transfer that money to OCEA. I understand that I may rescind my membership at any time. However, I understand that strong representation requires all represented employees to contribute. If I rescind my membership I agree that the contributions authorized above shall continue and this authorization shall automatically renew annually, irrespective of my membership status, unless and until I submit a timely signed revocation of this authorization. To be timely, a revocation must be mailed to OCEA's office, postmarked between 75 days and 45 days before such annual renewal date. Contributions or gifts to OCEA are not tax deductible as charitable contributions.

The payroll deduction authorization includes a PAC contribution (currently \$1.79 per pay period or \$0.89 for part-time workers) which will be used to support member-endorsed candidates and for expenditures in connection with local, legislative and statewide issues and elections. I may choose not to contribute or to vary my PAC contribution without reprisal from OCEA or my employer. This authorization is voluntary and not a condition of my employment or OCEA membership. My authorization to make a PAC contribution shall remain in effect until revoked in writing by me via U.S. Mail addressed to OCEA. I acknowledge that I have reviewed and voluntarily agree with the foregoing. OCEA PAC contributions are not deductible for federal income tax purposes.
