Such a written response shall become a permanent part of the employee's official personnel file.
- E. Employees may also, from time to time, submit other employment related information for inclusion in their personnel file. 2. On June 28, 2013, an assessment will be made of the number of hours of accrued annual leave for each employee. If an employee has more than 320 hours annual leave, the hours above 320 will be recorded. These hours remain available for the employee to use under the provisions of Section 11B and 11C. Upon the employee separating from service, if an employee continues to have more than 320 hours of annual leave, they shall be paid for all hours over 320 up to the amount recorded on June 28, 2013 in a lump sum payment as provided below:

A maximum of 1600 hours of the accrued annual leave balance has cash value. Three hundred sixty (360) hours are paid at 100% using the employee's salary rate upon the date of separation; the remaining balance, after the 360 hours are deducted, obtains cash value of 2% for each year of service, to a maximum of 50% i.e., 12 years of service equals 24% cash value for remaining balance; 25 or more years of service equals 50% cash value of the remaining balance. All calculations for hours above 360 are made using the employee's hourly salary rate as of June 27, 2013.

3. As of June 26, 2015, the following formula is used to pay off in a lump sum the employee's unused annual leave balance upon the employee's separation from service:

<u>Years of Service</u>	<u>Maximum Payoff</u>
Less than 3 years	200 hours maximum paid at 100% using the employee's salary rate at the date of separation
3 but less than 10 years	280 hours maximum paid at 100% using the employee's salary rate at the date of separation

10 or more years

A maximum of 360 hours of the accrued annual leave balance has cash value, paid at 100% using the employee's salary rate at the date of separation

Employees with leave balances above 320 hours on June 28, 2013 are paid off under Section 11 E2 above.

4. Years of service as used herein shall be the equivalent of full-time continuous service hours in a regular position. Partial years of service will be prorated.

Section 12: Leaves of Absence

- A. The Library recognizes that certain circumstances may require absence from work. The Library provides the following Leaves of Absence (LOA), or approved time off from work, either paid or unpaid, to assist employees in these times. Subject to legal and other eligibility requirements, regular, full-time and regular, part-time employees are eligible for leaves of absence.

Except as otherwise specifically noted, or where required by state or federal law, the following provisions are applicable to all leaves of absence.

B. General Provisions

1. Eligibility

All regular full-time and regular part-time employees are eligible for leaves of absence. Except for Family and Medical Leave (FMLA), and Medical Leave Non-FMLA (MedLOA), employees are eligible for leaves of absence upon hire. Eligibility for FMLA and MedLOA are described below. Except where required by law, Extra Help employees are not eligible for leaves of absence.

2. Notice

All requests for leave of absence must be made in writing, at least 30 calendar days prior to the beginning of the leave, or, in an emergency, as soon as it is known that time off will be required. Failure to give sufficient notice of the need for a leave of absence may result in denial or postponement of the leave.

3. Duration

Employees must request a leave of absence for a specific period of time; indefinite leaves cannot be granted. If employees are absent longer than seven (7) consecutive work days, employees must request a leave of absence.

Depending on the type of leave and applicable eligibility requirements, leaves may be granted for periods of time as provided by law, or as described in the following sections, but the maximum time available for a leave shall be 180 consecutive calendar days.

Failure to return to work at the expiration of a leave of absence, or being absent without authorized leave for a period of seven (7) calendar days, shall be considered an abandonment of position and a resignation. Such a resignation:

- a. Shall be rescinded if it was physically impossible for the employee to contact his or her department
- b. May be rescinded by the Director in his/her sole discretion

For purposes of determining eligibility and duration for a leave of absence, the year shall be defined as the 12-month period immediately preceding the commencement of the leave.

4. Medical Certification

Leaves necessitated due to health conditions must be supported by proper medical certification. The Library may require medical confirmation of the need or continuing need for any absence due to medical reasons. For FMLA leaves for an employee's serious health condition, except for leaves for disability due to pregnancy, childbirth or related medical conditions, the Library may require a second or third medical opinion, at its own expense, to confirm the need or continuing need for the leave.

5. Benefits during a Leave of Absence

- a. The Library will maintain the group health insurance benefits during the first twelve (12) work weeks of any leaves of absence which the employee takes in the relevant twelve (12) month period for the purposes of non-occupational medical disability, disability due to pregnancy, childbirth or related medical conditions or family care on the same terms and conditions had a leave not been taken.
- b. If an employee is receiving compensation as a result of applying paid time benefits such as annual leave during a leave of absence, annual leave will continue to accrue and holidays will be paid. During an unpaid leave of absence where such paid time benefits are not being applied, annual leave will not accrue, and holidays will not be paid.
- c. Group health insurance benefits will continue during a leave of absence for reasons other than as described in 5.a. above, as long as the employee is receiving compensation as a result of applying paid time benefits such as annual leave. Insurance benefits will continue during a leave of absence where an employee is not receiving any paid time benefits only if the employee arranges to pay premium during his or her absence. It is the employee's responsibility to make arrangements to pay the premiums in a timely manner.

6. Employee Responsibility

While on a leave of absence, it is the employee's responsibility to keep the Library advised of his or her status, to provide an address and phone number where he or she can be reached, make all applicable insurance payments in a timely manner, and comply with all other eligibility requirements as specified by the Library.

Unless notified to the contrary, employees are required to furnish the Library with periodic reports every 30 days on their status and intent to return to work.

7. Reinstatement

For any absence for medical reasons, employees must submit a medical clearance from a health care provider acceptable to the Library before being allowed to return to work.

At the conclusion of any approved leave of absence, the Library will make every reasonable effort to return the employee to the same or an equivalent position, in accordance with any applicable legal requirements.

The failure of an employee to report to work at the conclusion of an approved leave of absence will be considered a voluntary resignation.

8. Exceptions

Exceptions to any provisions of the Leave of Absence policies set forth must be approved by the Director of the Library.

Section 13: Family and Medical Leave (FMLA)

- A. Under the federal Family Medical Leave Act ("FMLA") and/or California Family Rights Act ("CFRA"), an unpaid leave of absence may be granted to employees who have worked for the Law Library for at least twelve (12) months, a minimum of 1,250 hours in the 12 months preceding the leave, and who are employed at a work site where 50 or more employees are employed by the Law Library within 75 miles of that work site. Such employees may be eligible for a leave where they have a bona fide need to care for a seriously ill parent, spouse or child, or for the birth or adoption of a child, or the placement of a foster child. In addition, eligible employees may be granted an unpaid leave of absence caused by their own serious health condition which prevents them from working. Eligible employees may qualify for Military Caregiver Leave or Military Qualifying Exigency Leave under the FMLA, as defined below. All leaves under this policy are referred to as "Medical or Family Care LOA." Unless stated otherwise, the maximum allowable time for any Medical or Family Care LOA under this policy is 12 weeks per a rolling 12-month period. Where possible, Medical or Family Care LOAs under both FMLA and CFRA will run concurrently.

B. Employee Notice

Employees must provide sufficient information for the Law Library to determine if the leave may qualify as a Medical or Family Care LOA, as well as the expected timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization, or continuing treatment by a health care provider, or circumstances that support the need for Military Caregiver Leave or Military Qualifying Exigency Leave as indicated below. Employees also must inform the Law Library if the requested leave is for a reason for which Medical or Family Care LOA was previously taken or certified. When possible, the Law Library requests 30 days notice of the need for leave in order to plan for work coverage. If 30 days notice is not

possible, then employees must provide as much notice as practicable under the circumstances and must follow the Law Library's call-in and/or attendance policies.

C. Law Library Notice

Once an employee provides sufficient information, the Law Library will notify the employee (a) whether he or she is eligible for Medical or Family Care LOA and, if so, (b) whether any additional information is required, and (c) the employee's rights and responsibilities regarding such a leave. The Law Library will also notify an eligible employee who has requested Medical or Family Care LOA if the requested leave will be designated as FMLA/CFRA protected leave and counted against the employee's leave entitlement.

If the Law Library determines an employee is not eligible for Medical or Family Care LOA, the Law Library will provide at least one reason for ineligibility. The Law Library will also inform the employee if it determines that the requested leave does not qualify for FMLA/CFRA protection.

Employees not eligible for a Medical or Family Care LOA may be eligible for an unpaid leave of absence due their own disability or medical condition, which will be assessed by the Law Library on a case-by-case basis. The Law Library cannot guarantee reinstatement to employment at the conclusion of such a leave.

D. Serious Health Condition

To qualify for a Medical or Family Care LOA, an employee must have a serious health condition. A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than three (3) consecutive calendar days combined with at least two (2) visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy (under FMLA only), or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

E. Certification of Need for Medical or Family Care LOA

The Law Library may require an attending health care provider's certification of the employee or family member's serious health condition. The Law Library may also require periodic recertification supporting the need for leave. In any case in which the Law Library has reason to doubt the validity of any medical certification provided to support an employee's request to take Medical or Family Care LOA because of the employee's own serious health condition, the Law Library may require the opinion of a second and third health care provider consistent with state and federal law.

F. Military Qualifying Exigency Leave

Eligible employees under FMLA may be provided up to twelve (12) weeks of leave in a rolling 12-month period when the employee has a qualifying exigency arising out of the fact that a spouse, son, daughter, or parent is on active duty or has been called to active duty in the National Guard or Reserves in support of a contingency operation. "Qualifying exigency" is defined by law as: (1) short-notice deployment, (2) military events and related activities, (3) childcare and school activities, (4) financial and legal arrangements, (5) counseling, (6) rest and recuperation, (7) post-deployment reintegration briefings, and (8) additional activities where the Law Library and employee agree to the leave. Time off for Military Qualifying Exigency Leave counts towards the 12-week maximum allowable time for Medical or Family Care LOA under FMLA.

G. Military Caregiver Leave

Eligible employees under FMLA may be provided up to 26 weeks (one-half year) of leave during a single 12-month period to care for a covered servicemember. A covered servicemember is the employee's spouse, son, daughter, parent, or next of kin (meaning "nearest blood relative" or person "specially designated") who is recovering from a serious injury or illness which occurred in the line of duty on active duty in the Armed Forces, National Guard, or Reserves, and which may render the servicemember medically unfit to perform his or her military duties; or for which the servicemember is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list. An employee may take a maximum combined total of 26 weeks of leave for Military Caregiver Leave and Medical or Family Care Leave or Military Qualifying Exigency Leave in a single 12-month period.

H. During Medical or Family Care LOA

During a Medical or Family Care LOA, employees may elect, or the Law Library may require, the use of accrued but unused paid time off including but not limited to annual leave while taking a Medical or Family Care LOA. In order to use any accrued paid leave time, employees must comply with the Law Library's normal paid leave policies.

During a Medical or Family Care LOA, the Law Library will continue to pay all applicable group health insurance premiums which it ordinarily pays on behalf of the employee. Employees must continue to pay the employee portion of the insurance premium during the leave of absence. Failure by an employee to make his or her premium payment may result in a loss of benefits. If the employee fails to return from this leave, in some circumstances, the Law Library may attempt to recoup the cost of the insurance premiums paid on behalf of the employee during the leave.

Employees need not use their Medical or Family Care LOA entitlement in one block. Such a leave may be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the Law Library's operations.

The Law Library and OCEA agree that certain types of leaves available to employees under this Agreement may meet the requirements of federal and state medical leave and/or pregnancy leave laws. The Law Library may apply any time during which an employee is on such leave against the amount of Family Leave to which the employee is entitled.

I. Returning to Work from Medical or Family Care LOA.

Employees returning to work upon conclusion of the Medical or Family Care LOA will be returned to their original position or to an equivalent position with equivalent pay and benefits, provided such job would have been available had the employee not taken the leave. Prior to returning to work, where the leave of absence is for the employee's own serious health condition, the employee must provide the Law Library with certification from the attending health care provider indicating the employee is able to resume his or her work.

Failure to return to work from a Medical or Family Care LOA on the designated date may be interpreted as the employee's voluntary resignation. If the employee returns to work outside of the legally allotted time for such a leave, the employee will only be reinstated if there is an available open position which they are qualified to fill.

J. FMLA/CFRA Protections

Use of any of the leaves permitted by the FMLA and the CFRA cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

It is unlawful for employers to interfere with, restrain, or deny the exercise of any right provided under the FMLA or the CFRA or to discharge or discriminate against any person for opposing any practice made unlawful by either law or for involvement in any proceeding under or relating to the FMLA or the CFRA. The FMLA does not affect any federal or state law prohibiting discrimination, or supersede any state or local law or collective bargaining agreement which provides for greater family or medical leave rights.

If employees believe that they have been aggrieved, they may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

Section 14: Medical Leave Non-FMLA (MEDLOA)

After an employee in a regular position has been paid for six thousand two hundred forty (6240) regularly scheduled hours the employee shall be granted, upon request, an unpaid leave of absence for non-occupational illness or disability not to exceed 180 days in length.

Section 15: Pregnancy Leave

- A. Each female employee in a regular full-time position and in regular part-time positions is entitled to an unpaid leave of absence due to disability during the time the employee is actually disabled on account of pregnancy, childbirth, or related medical conditions up to a maximum period of four (4) months. This leave may be taken as needed for all disabilities related to each pregnancy and does not have to be taken in one continuous period of time.
- B. If the employee chooses, she may use her annual leave during the pregnancy leave, in addition to the four (4) month unpaid leave. The paid time will be integrated so that the employee does not receive more than one hundred percent (100%) of her regular pay.

Section 16: Occupational Disability Leave

- A. Each employee is entitled to take an unpaid leave of absence for the duration of any disability due to an occupational illness or injury. When on occupational disability, the employee must be examined by a health care provider and certified to be disabled from returning to employment. During this leave, the employee will receive worker's compensation insurance benefits, if applicable, in accordance with California law.
- B. Beginning on July 1, 2010, and on each July 1 thereafter, an employee shall be provided with a bank of forty (40) hours of non-cashable Occupational Disability Leave compensatory time. Time provided to an employee under this Section 16B may be used solely for:
 - 1. Attending medical and/or physical therapy appointments; and/or
 - 2. Undergoing medical procedures, resulting from occupational illness or injury. Any unused time provided under this Section shall expire on June 30 of each year and cannot be rolled over into any subsequent year. An employee shall be provided with a new 40-hour bank of non-cashable Occupational Disability Leave compensatory time on July 1 of each year.

Section 17: Jury/Witness Duty Leave

- A. A regular employee who is called for jury duty shall be compensated at the employee's regular rate of pay for those hours of absence due to the jury duty which occur during the employee's regularly scheduled working hours provided he or she deposits his or her fees for such hours of jury duty, exclusive of mileage, to the Library account with the County Treasurer. Fees for jury duty performed during hours other than regularly scheduled working hours may be retained by the employee.
- B. Employees who are required by law pursuant to a subpoena to appear in or out of court or at an administrative hearing as a witness shall not be paid for the time incurred by the employee as a witness. The employee may utilize available annual leave time for this purpose. The employee shall give to his or her supervisor reasonable advance notice of the anticipated absence.

Section 18: Bereavement Leave

- A. Upon request, employees shall receive necessary time off with pay, not to exceed five (5) days in any one instance, to arrange for or attend a funeral of a member of his or her immediate family.
- B. For purposes of this Section, immediate family shall mean father, father-in-law, mother, mother-in-law, step-parent, brother, sister, wife, husband, child, grandparent, grandchild, registered domestic partner or legal guardian.

Section 19: Catastrophic Leave

The Library will administer a Catastrophic Leave procedure designed to permit limited individual donations of annual leave and/or compensatory time to an employee who is required to be on an extended unpaid leave due to a catastrophic medical condition.

Section 20: Departmental Leave

In addition to leaves of absence authorized by federal or state law, the Director may authorize an unpaid departmental leave for a regular employee for a period of time not to exceed fifteen (15) calendar days. An employee shall be authorized for departmental leave only after all accumulated compensatory time has been applied toward payment of the absence.

Section 21: Official Leave

- A. An official unpaid leave of absence may be authorized for a period of time not to exceed one (1) year. An official leave of absence may be authorized only after an employee's completion of a departmental leave and after all accumulated compensatory time and annual leave accruals have been applied toward payment of the absence.
- B. A request for an official leave of absence shall be made upon forms prescribed by the Director and shall state specifically the reason for the request, the date when it is desired to begin the leave of absence, and the probable date of return.
- C. When a regular position is vacant due to an official leave of absence, the position may be filled for the length of the immediately preceding departmental leave and the official leave.

Section 22: Administrative Leave with Pay

The Director may authorize an employee to be absent with pay from his or her regular work area, for reasons other than physical or mental illness for a period of time not to exceed two (2) working days in any calendar year if the Director finds that such absence:

- A. Contributes to the employee's effectiveness in his or her assigned duties or responsibilities; or
- B. Contributes to the functions and goals of the Library.

Section 23: Disciplinary Process

- A. Discipline - General Guidelines
 - 1. Discipline may be initiated for various reasons, including, but not limited to, violations of the Law Library's work rules or policies, insubordination, or poor performance. The type of discipline generally depends on the nature of the offense and the employee's record, and may range from verbal counseling to immediate dismissal.
 - 2. The progressive discipline process normally consists of verbal counseling, written warning(s) which could include written reprimands or performance review, and disciplinary action, which may include suspension, discharge, or other action. Any or all of these steps may be utilized or omitted, depending upon individual circumstances and the nature and severity of the infraction, and subject to the procedures outlined below in Section C.
 - 3. If the employee violates any policy of the Library or fails to improve his or her level of performance, termination may result.

4. Progressive discipline must be timely and should follow, as closely as possible, the incident(s) requiring the disciplinary action.
5. Except as specifically provided below, the provisions of this Article do not apply to Introductory or Extra Help employees. Introductory and Extra help employees may request to meet with the Law Library Director to discuss any disciplinary issues.

B. Progressive Discipline

1. With the exception of offenses requiring more stringent action, employees will normally be counseled verbally before receiving a written warning.
2. No regular or introductory employee shall receive a written reprimand, or a substandard performance evaluation, except for reasonable cause.
3. A written reprimand, substandard performance evaluation, suspension, or discharge given to a regular employee may be appealed through the grievance appeal procedure in accordance with Section 24.

C. Disciplinary Action

1. Except for an emergency situation, when a regular employee is proposed to be suspended, reduced in position or discharged, a written notice of such proposed disciplinary action shall be personally served on the employee or mailed by certified mail and U.S. mail to the Employee's address of record at least (10) calendar days prior to the effective date of the proposed action. Such notice shall contain:
 - a. A description of the proposed action and its effective dates;
 - b. A statement of the reasons for such proposed action, including the acts or omissions on which the proposed action is based;
 - c. Copies of material on which the proposed action is based;
 - d. A statement of the employee's right to respond either orally or in writing prior to the effective date of such proposed action;
 - e. A statement of the employee's right to appeal, if applicable;
 - f. A statement of the employee's right to representation.
2. The employee shall be given an opportunity to respond either orally or in writing, at the employee's option, within ten (10) days of the date of mailing or personal service, to the supervisor of the employee with the authority to make an effective recommendation on the proposed disciplinary action of the Law Library Director.
3. The employer shall personally serve and/or mail by first class mail to the employee, at the address of record, written notice either sustaining, modifying or canceling a proposed suspension, reduction in position or discharge prior to the effective date of such action. If a

proposed discharge becomes final, the employee shall have the right to appeal such action pursuant to Section 24 on Grievance and Disciplinary appeals.

4. Emergency Suspensions

- a. Any regular or introductory employee may be suspended for five (5) days or less when it is necessary to remove the employee from the work site immediately because of a potential emergency situation. The employee shall be given an opportunity to respond to the suspension to the Director.
- b. An emergency means an unforeseen circumstance requiring immediate action, a sudden unexpected happening, an unforeseen occurrence or condition, a pressing necessity.

Section 24: Grievance Procedure and Disciplinary Appeals

It is the policy of the Library that day to day interactions between employees and management will provide opportunities for discussing and resolving problems and issues that arise concerning employment matters. If the matter cannot be resolved in this manner, then the procedures set forth in this Section 24, shall be placed into effect.

A. Scope of Grievance

1. A grievance may be filed if a management interpretation and application of the provisions of this Memorandum of Understanding adversely affects an employee's wages, hours or conditions of employment as defined in this Memorandum of Understanding.
2. Specifically excluded from the scope of grievances, including appeals, are matters which are:
 - a. Subject to or involving the amendment or change of the Board of Trustees' Resolutions;
 - b. Matters which have other means of appeal;
 - c. Position classification; and
 - d. Standard or better performance evaluations.
3. Except as provided in Section G below, in cases of alleged discrimination, only regular employees shall have the right to present a grievance or appeal of disciplinary action or substandard performance evaluation.
4. Except as specifically provided below, this Article does not apply to Introductory or Extra Help employees.

B. Basic Rules

1. If an employee does not present a grievance/appeal or does not appeal the decision rendered regarding his or her grievance/appeal within the time limits, the grievance/appeal shall be considered resolved.

2. Because most problems can be more directly addressed by the immediate supervisor, if any employee has a problem or suggestion for improvement, he or she is encouraged to speak first directly with his or her supervisor. Supervisors are expected to give careful objective consideration to employee complaints and to respond in a timely manner.
3. If after a reasonable period of time (at least 48 hours) the employee does not feel the situation is fully resolved or is not satisfied with the decision or if there is a reason why the employee does not wish to involve the direct supervisor, the employee may communicate orally or in writing to the next supervisor level.
4. No claims shall be granted for retroactive adjustment of any grievance prior to sixty (60) calendar days from the date of filing the written grievance.
5. In order to encourage frank discussion and compromise in attempting to resolve grievances and other labor disputes, the files of the respective parties concerning such matters shall be confidential, except that this shall not restrict any access that the employee or the Library might otherwise have to the other's files.
6. By mutual agreement of the employee, the Director and OCEA, any step of the procedure may be waived.
7. By mutual agreement of the employee, the Director and OCEA, the time limits at any step in the procedure may be extended.
8. Every reasonable effort shall be made by the employee and the Library to resolve a grievance/appeal at the lowest possible step in the procedure.

C. Submission of Grievances

1. Any employee or a recognized employee representative shall have the right to present a grievance. No employee shall be hindered from or disciplined for exercising this right.
2. If any two or more employees have essentially the same grievance, they may, and if requested by the Library must, collectively present and pursue their grievances if they report to the same immediate supervisor.
3. If the grievant is a group of more than three (3) employees, the group shall, at the request of the Director, appoint one (1) or two (2) to speak for the collective group. To be considered a grievant in a group grievance, each employee must be individually identified as a grievant when the grievance is submitted.

D. Employee Representation

1. An employee may represent himself or herself or may be represented by a recognized Library employee organization.
2. If an employee chooses not to be represented by OCEA, OCEA may have staff representatives present at advisory arbitration, and, if necessary shall have the right to present OCEA's interpretation of provisions of this Agreement at issue. Such presentation of

OCEA's position shall not include comments regarding the merits of the grievance. All advisory arbitration decisions shall be given the same weight for precedent.

E. Time off for Processing Grievances/Appeals

1. Reasonable time off without loss of pay shall be given to:

An employee who has a grievance/appeal in order to attend a meeting with his or her supervisor or other person with authority under the grievance/appeal procedure to resolve the matter.

2. The following sections shall apply in all cases to the reasonable time off without loss of pay:

The grievant shall not interrupt or leave his or her job to pursue the grievance or appeal if his or her supervisor determines that such interruption or absence will unduly interfere with the work or the unit in which the grievant/appellant is employed. However, an effort will be made to grant such time off as soon as it is feasible to do so.

F. Grievance/Appeal Steps

1. Immediate Supervisor: An employee may formally submit a grievance to the immediate supervisor within fourteen (14) calendar days from the occurrence which gives rise to the problem. Such submission shall be in writing and shall state the nature of the grievance and the suggested solution. Within seven (7) calendar days after receipt of the written grievance, the immediate supervisor and/or other representative(s) as may be designated by the Director shall meet with the grievant. Within seven (7) calendar days thereafter, a written decision shall be given to the grievant.
2. Library Director: If the grievance/appeal is not settled under step one and it concerns:
 - a. An interpretation or application of this Memorandum of Understanding;
 - b. A substandard performance evaluation;
 - c. Deferral or denial of a merit increase or a dispute about the number of steps granted;
 - d. A written reprimand;
 - e. A discharge of any regular, introductory, or extra help employee alleging discrimination; or
 - f. Any suspension or reduction of a regular employee; or
 - g. A discharge of a regular employee;

it may be appealed in writing to the Library Director within seven (7) calendar days after mailing of the written decision from Step One. Appeal of a suspension, and/or reduction, or discharge may be submitted in writing at Step Two within ten (10) calendar days after receipt of the notice of suspension, reduction or discharge. Within fourteen (14) calendar

days of receipt of the written grievance/appeal, the Library Director or his or her representative shall meet with the grievant/appellant. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant/appellant.

The Library Director may find that the order complained of shall be rescinded, modified or upheld. The decision of the Library Director in paragraph b, c, or d above shall be final and binding and shall not be referable to advisory arbitration. The decision of the Library Director in paragraph f above shall not be referable to advisory arbitration, but a request for mediation may be presented as described in paragraph G below.

G. Referrals to Mediation

1. If a grievance is not resolved under Step Two (f) above, in the case of a suspension or reduction of a regular employee, a request for mediation may be presented in writing to the Library Director within seven (7) calendar days from the date a decision was rendered at Step Two. Within ten (10) days of receipt of the request, the Library Director shall notify the grievant in writing whether or not the Library agrees to mediate the grievance. If the Library does not agree to mediate the matter, the decision of the Library Director in Step Two will be final and binding.
2. If the Library agrees to mediation of the grievance, a qualified mediator, mutually agreed to by the Law Library and OCEA, shall be selected and hear the grievance.
3. Any costs incurred for a qualified mediator shall be shared equally by the employee and the Law Library.

H. Referrals to Advisory Arbitration

Grievances:

1. If a grievance is not resolved under Step Two (a), (e) or (g), a request for advisory arbitration may be presented in writing to the Library Director within seven (7) calendar days from the date a decision was rendered at Step Two. As soon as practicable thereafter or as otherwise agreed to by the parties, an arbitrator shall hear the grievance.
2. The parties shall either sign a joint issue submission statement or execute and sign separate alternative issue statements after discussing the issues. In either case, the parties shall send copies of their joint or separate submission statements to each other within fourteen (14) calendar days before the first scheduled date of the arbitration hearing.
3. The arbitration shall be held pursuant to the rules of the American Arbitration Association, with costs, including a certified shorthand reporter's transcript of the proceeding, to be paid one-half by each party unless the arbitrator(s) determines otherwise.
4. The arbitration decision shall be written and shall include a certified shorthand reporter's transcript of the proceedings. The arbitrator's opinion shall be presented to the Board of Trustees which may accept or reject in whole or in part the arbitrator's decision, based upon the transcript and the arbitrator's written decision.

Section 25: Mileage Allowance/Cost Reimbursement

- A. An employee who is authorized to use a private vehicle in the performance of his or her duties shall be paid for the mileage driven during each monthly period according to the rate paid by the County of Orange for mileage reimbursement.
- B. Employees shall be reimbursed actual costs incurred on behalf of the Library and authorized in advance by the Director.

Section 26: Tuition Reimbursement Program

A. Objectives

The tuition reimbursement program is designed to encourage employees to continue their self-development by enrolling in classroom courses which will:

- 1. Educate them in new concepts and methods in their occupational fields and prepare them to meet the changing demands of their jobs.
- 2. Help prepare them for advancement to positions of greater responsibility in Library service.

B. Eligibility of Courses for Tuition Reimbursement

2. Attendance at conferences shall be scheduled throughout the fiscal year to avoid concentration of absences at the same time within the division.

4. Attendance at conferences out of the general area will require approval of the Law Library Director.

5. Upon approval of the Law Library Director, the Auditor-Controller shall issue a warrant to the employee for reimbursement.

Section 28: Compensation for Employees

- A. In addition to the primary responsibility of the Board to determine classification and salary ranges, the Board may, upon recommendation of the Director, specify that the incumbent of a particular position shall occupy any step on the salary range.
- B. Employees shall receive compensation at the bi-weekly or hourly rate for the range and step or flat rate assigned to the class in which the employee is employed.
- C. Salary ranges and pay rates for various classifications shall be as set forth in the attached Exhibit A.

Section 29: Pay for New Employees

- A. Upon the recommendation of the Director, the Board may authorize recruitment of professional employees at a step higher than the first step of the salary range or may authorize that a particular position be filled at any step within the range. When the Board authorizes recruitment at a step higher than the first step of the range or authorizes the filling of the position at a step which is higher than the recruiting step of the salary range, it may advance the salary of incumbents of positions in that class or related classes in order to retain equitable relationships and may fix new merit increase eligibility dates.
- B. The Director may authorize the appointment of non-professional employees at any of the first five (5) steps of the salary range. Such appointments shall be made only when the Director makes a determination that there is a direct and measurable benefit to the Library for such appointments. In determining whether or not the provisions of this paragraph shall be applicable to a class or an individual applicant, the Director shall consider the extent to which the following factors characterize the class or individual applicant:
 1. It is one in which an individual applicant's previous training and experience enable him or her to make a greater contribution than a less experienced employee.
 2. It is one in which there is difficulty in recruiting qualified experienced applicants in the class.
 3. It is one in which the performance of the incumbents in a class has a significant impact on Library programs and policies.

Appointments at advanced steps under the provisions of this paragraph shall be based on an evaluation of the quality and quantity of an applicant's training and experience.

Section 30: Merit Increase Within Range

- A. Extra help employees shall not be eligible for merit increases within range.
- B. Salary increases within a range shall not be automatic. They shall be based upon merit and granted only upon the affirmative recommendation or decision of the Director.

- C. A new employee in a regular position shall have a merit increase eligibility date, which shall be the first day of the pay period following the completion of the first twenty-six (26) weeks of service within that class. Subsequent merit increase eligibility dates shall be the first day of the pay period following the completion of the fifty-two (52) week intervals.
- D. An employee in a part time regular position who has not completed one thousand forty (1040) regularly scheduled hours by the first merit increase eligibility date shall have the merit increase eligibility date postponed until the first day of the pay period following completion of one thousand forty (1040) regularly scheduled hours. Likewise, an employee in a part-time regular position who has not completed two thousand eighty (2080) regularly scheduled hours between subsequent merit increase eligibility dates shall have his or her merit increase eligibility date postponed until the first day of the pay period following completion of two thousand eighty (2080) regularly scheduled hours. When an employee's record consists of a combination of full-time regular and part-time regular service, both periods of service shall apply toward merit increase eligibility with the part-time service being applied proportionately to the appropriate full-time interval.
- E. Merit increases may be granted for one (1), two (2), three (3), or four (4) steps within the salary range based upon the employee's performance. Standard performance shall earn a one (1) step increase.
- F. If, in the Director's judgment, the employee's performance does not merit a salary increase on the merit increase eligibility date, and a deferment of a decision accompanied by an intensive effort at improved performance might be productive, the Director may defer a decision regarding the merit increase any number of pay periods but not to exceed thirteen (13) pay periods. The employee may be reevaluated at any time, but in any event shall be reevaluated on the structured merit rating prior to the end of the thirteenth (13th) pay period. The employee's merit increase eligibility date shall not be changed by such deferment.
- G. The Director shall notify the Auditor-Controller in writing of all merit increases and such notification shall constitute authorization for the Auditor-Controller to make payment to the employee at the higher rate. Should an employee's merit increase eligibility date be overlooked through an error, and upon discovery of the error, the employee be recommended for the merit increase, the Auditor-Controller shall compensate the employee for the additional salary the employee would have received dating from the merit increase eligibility date.

Section 31: Salary on Promotion

A regular employee who is promoted to a position in a class with a higher salary range shall receive the recruiting salary for the higher class or such higher amount as would constitute a two (2) step increase on the range over the salary received prior to the promotion not to exceed the top step of the new range. A new merit increase eligibility date shall be established which will be the first day of the pay period following the completion of the first twenty-six (26) weeks of service in the class.

The Law Library Director is authorized to conduct studies of the duties and responsibilities of the various positions in order to maintain the position Classification Plan.
4. All decisions regarding classification or reclassification of a position shall be the responsibility of the Board of Trustees, which shall have sole authority and discretion in making such decisions.

The Law Library agrees to meet and confer with OCEA on the salary range and introductory period for any proposed change in a classification.

B. Procedure for Requesting Reclassification of a Position

1. An employee who believes his or her position is not properly classified may submit a written request for review of the position classification to the Law Library Director. Such requests shall state the reasons the employee believes the present class is not appropriate and which class the employee believes is appropriate based on the employee's present duties.
2. The Director will review the request and determine if a reclassification is appropriate. The Director will provide a response to the employee within 30 days of submission of the request. The time for response by the Director may be extended upon mutual agreement of the Director and OCEA.
3. If the request is recommended for approval, the Director shall submit the proposed reclassification to the Board of Trustees for approval. The Director shall also advise the OCEA of the request, pursuant to paragraph A.5 above.
4. If the request is denied, the Director shall so advise the employee and the OCEA.
5. All decisions regarding classification or reclassification of a position shall be the responsibility of the Board of Trustees, which shall have sole authority and discretion in making such decisions. If requested by the Employee and/or OCEA, the Law Library Director shall meet and discuss with the Employee and/or OCEA the Law Library's denial of classification request.

Section 33: Number and Classification of Activated Positions

- A. The number of activated regular positions shall be as designated by the Board.

- B. The Director is authorized to reclassify positions when such reclassifications are consistent with classification concepts, classification specifications, and salaries adopted by the Board.
- C. The Director is authorized to reclassify positions resulting from organizational changes only after review and approval by the Board.
- D. The Director may appoint extra help employees as needed.

Section 34: Salary Payment Procedure

- 2. This procedure shall not apply to a temporary layoff of less than four (4) consecutive weeks.
- 3. This procedure shall not apply to employees who have special or unique knowledge or skills which are of special value in the operation of the Law Library, as determined by the Director.
- 4. When two (2) or more departments are consolidated or when one (1) or more functions of one (1) department are transferred to another department, employees in all involved departments shall be subject to layoff if one is necessary.

Employees shall be selected for layoff based on consideration of a combination of factors, including but not limited to, employment status, past performance and productivity, qualifications, skills, attitude, attendance and punctuality.
- 3. In cases where the Director determines that general performance and other factors are equal, length of continuous service will be considered in selecting employees for layoff. Suspension shall remove one year length of service for purposes of layoff. For purposes of

this section, only the most recent performance evaluation or notice of suspension will be considered.

4. Length of service for the purpose of determining layoff order is defined as the total number of full and partial months that the employee has worked for the Law Library, not including any periods during which the employee was on a Departmental Leave or Official Leave as described in Section 20 and 21 of the Memorandum of Understanding.

Employees will not, however, be re-credited with any accrued time off which was paid out at the time of layoff.
