## There's even more to explore.

Our other facility, just 30 miles north of the Zoo, is a different kind of adventure among rare and exotic animals roaming huge habitats. See platypuses, kangaroos, and cassowaries at Walkabout Australia, come face-to-face with endangered Sumatran tigers, and more. If you choose, you can see animals from the back of a safari truck, ride a zip line over rhinos, giraffes, and antelope, and watch a cheetah race past you—it's quite a rush!

### 2-VISIT PASS

With our 2-Visit Pass, you can enjoy both the San Diego Zoo and the Safari Park for one low price.
