Getting an annual flu vaccine is the best way to protect you and your family from the flu. The CDC conducts studies each year showing how well the influenza (flu) vaccine protects against flu illness. While effectiveness varies, flu vaccination reduces the risk of flu illness by 40-60% among the overall population for most flu viruses. And flu shots are now covered by most insurance plans! **Get yours, FREE at OCEA! Just bring your Blue Shield, Kaiser or Cigna health insurance cards with you to receive a free flu shot. Cash payments will also be accepted.**

**FREE FLU SHOTS WILL ALSO BE AVAILABLE AT THE
OCEA HEALTH FAIR, 10 A.M.-1 P.M. TUESDAY, SEPT. 11, 2018.**
