Re: Cal/OSHA Workplace Regulations

Dear Colette:

Today the County issued an email to employees regarding actions the County is taking in response to yesterday's Emergency Temporary Standards revisions by Cal/OSHA.

As the exclusive representative for multiple County bargaining units, OCEA hereby demands to meet and confer with the County regarding the impacts of those actions.

We will be in contact to arrange a time and place to meet at our earliest mutual convenience.

Sincerely,

ORANGE COUNTY EMPLOYEES ASSOCIATION

/s/

Charles Barfield  
General Manager
